

## The Art of Expression since 1584

The Hahnemühle Digital FineArt Collection

### Natural Art Duo 216

*Natural White, Fourdrinier Paper*

#### Product Description

Available in all standard cut sheet sizes. This Inkjet paper is specifically designed for commercial photographic imaging applications and the production of photographic presentation portfolios. It meets the highest standards for photographers, photo artists and graphic designers who demand a wide variety of media with an extraordinary level of detail, visual impact and colour fidelity. Natural Art Two Sides has a smooth natural white matt surface that replicates the colour of fine art papers. This high-quality paper is double side coated.

#### Applications and Characteristics

This natural white, finely textured paper provides excellent image sharpness and optimum colour graduation and appeals due to the impressive brilliancy of the colours and its archival quality. Common applications include: Photographic and fine art reproduction, business cards, greeting cards, certificates and portfolios.
